Australian Baby Hands
by Jackie Durnin
(\$29.95)

If your baby has ever seemed inconsolable, you'll love this book. It teaches you to communicate with your baby and understand her feelings and needs. It'll encourage your bub's brain development as well as reduce tears and frustration – for both of you! We have 10 signed copies to give away. Just tell us in 25 words or less what your baby would say if she could talk. See *To Enter*, below.
